Members' Dialogue

- An Exclusive Event for CTIM Members ONLY

The Institute recognises that members have been facing many challenges and issues on taxation and public practice matters during this unprecedented time. The Institute would like to reach out to members and is pleased to organise online Members Dialogues for members by region in April/May 2021 (please refer to the table below). The aim of these Members Dialogues is to give members the opportunity to raise and discuss on issues arising from the following:

- Direct Tax – technical, compliance and operations matters;
- Indirect Tax – Sales Tax, Service Tax, Customs, Excise and Free Zones; and
- Public Practice.

In each Dialogue, a panel consisting of the CTIM President and CTIM Council members will respond to members' issues submitted for the Dialogue.

Do grab this opportunity to be up to-date on the latest issues that affect members in your region. Due to the nature of this closed door event, deliberations on the dialogue will not be documented for release to members.
